## **ADDENDUM 3 – JOB 40**

TO: All prospective bidders on project SOIB-7-200(016)004, Job No. 40 scheduled for the April 8, 2016 bid opening.

The following request for proposal revisions shall be made:

### Request For Proposal Revisions:

Add the following note for the State Optioned Prewitt Pit Listed in the Request For Proposal:

The gravel option for the Prewitt Pit is located in SE1/4 Section 10-24-59 in the state of Montana. There is no Mining Permit on our drilled area. Contractors will have to obtain and comply with their own Mining Permit from the Montana Department of Environmental Quality (DEQ) (406-444-4970). If a contractor utilizes this pit; once the contractor has completed processing material for this project they will have to complete an Assignment form with the DEQ if another contractor plans to utilize this pit. Contractors can contact the DEQ for information on availability.

This addendum is to be incorporated into the bidder's proposal for this project.

A handwritten signature in black ink, appearing to read "Cal J. Gendreau".
